

**Granville Township Zoning Commission**  
**May 1, 2006**

Minutes

**Members Present:** Robert Erhard, Dan Van Ness , Bill Habig (*Chair*), Thalia Oster

**Members Absent:** Gayle Mulvey (arrived too late)

**Visitors Present:** Allen and Sharon Stickell, Don Andrews, Pete Skalski, George W. Funk, M. Anne Conley, Joan and Neil Greene, Mike Mickelson, Lorraine and George Wales

**I. Pinkerton/Hester:** Bill Habig called the meeting to order at 7:30, saying he is going to start on time and end early. This proved to be true, as he received a letter from Dick Pinkerton stating they wish to defer and reschedule the Hester initiative for a later date because the principals are not able to resolve certain issues by the May 1 meeting. The LCPC has voted unanimously to deny the application.

Whereupon Dan announced he had a call from Dick Pinkerton this afternoon and he asked us to withdraw the application.

MR. ERHARD MOVED TO ACCEPT THE WITHDRAWAL. MS. OSTER SECONDED, AND MOTION WAS UNANIMOUSLY APPROVED.

**II. Minutes of April 18:** Postponed until next meeting

**III. Next Meeting:** None scheduled. The chair will notify us when the next meeting will be.

**IV. Adjournment:** 7:32 p.m.

Respectfully submitted,  
Betty Hullinger
